# MACHINE FILM

## EXPEL:

Utilizing high-end technology, Zummit Plastics has carefully crafted Expel. This multitasking, machine film provides high performance when wrapping loads. With remarkable levels of strength, durable puncture and a minimum 250% of pre-stretch potential, Expel represents an unparalleled film that offers exceptional memory and load retention capabilities.

### BENEFITS:

- One Side cling
- Exceptional puncture and tear resistance
- High level holding force

### FEATURES:

- Decreased film break during wrapping process
- High load stability during movement
- 250% pre-stretch
