PRE STRETCH FILM

STALWART:

This advanced, cast hand film comprises a premium resin blend and provides maximum load holding force with minimal film usage. Our Stalwart (Pre Stretch Film) exhibits unparalleled strength in lighter gauges, and its exceptional puncture resistance rivals higher gauged films. Exceptional load-holding force, cling, clarity, and unchallenged neckdown for maximum load surface coverage.

BENEFITS:

- Folded outside edges reduce neck down during wrapping.
- Superior puncture and tear resistance even at low gauges.
- Prevents roll damage and wasted material

FEATURES:

- Superior cling and exceptional clarity.
- Great film stiffness.
- Leading load holding force.
